(b) Except as provided in subsection (1), a law enforcement officer appointed after July 5, 1972, and before July 1, 1993, may not enforce the laws or ordinances of the state or any political subdivision unless the officer has, within one (1) year from the date of appointment, successfully completed the minimum basic training requirements established under this chapter by the board. If a person fails to successfully complete the basic training requirements within one (1) year from the date of employment, the officer may not perform any of the duties of a law enforcement officer involving control or direction of members of the public or exercising the power of arrest until the officer has successfully completed the training requirements. This subsection does not apply to any law enforcement officer appointed before July 6, 1972, or after June 30, 1993.

(c) Military leave or other authorized leave of absence from law enforcement duty during the first year of employment after July 6, 1972, shall toll the running of the first year, which in such cases shall be calculated by the aggregate of the time before and after the leave, for the

regarding the subjects of arrest, search and seizure, use of force, and firearm qualification. The pre-basic course must be offered on a periodic basis throughout the year at regional sites statewide. The pre-basic course must consist of forty (40) hours of course work. The board may approve courses offered by other public or private training entities, including colleges and universities, as necessary in order to ensure the availability of an adequate number of inservice training programs. The board may waive an officer's inservice training requirements if the board determines that the officer's reason for lacking the required amount of inservice training hours is due to any of the following:

- (1) An emergency situation.
- (2) The unavailability of courses.
- (h) The board shall also adopt rules establishing a town marshal basic training program, subject to the following:
 - (1) The program must require fewer hours of instruction and class attendance and fewer courses of study than are required for the mandated basic training program.
 - (2) Certain parts of the course materials may be studied by a candidate at the candidate's home in order to fulfill requirements of the program.

SECTION 18. IC 6-1.1-4-35, AS ADDED BY P.L.1-2004, SECTION 4, AND AS ADDED BY P.L.23-2004, SECTION 5, IS CORRECTED AND AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 35. (a) This section applies to a county other than a county subject to section 32 of this chapter.

(b) This section applies to a general reassessment of real property conducted under section 4(a) of this chapter that is scheduled to become effective for property taxes first due and payable in 2003.

(d) As used in this section, "reassessment official" means any of the following:

- (2) A township assessor.
- (3) A township trustee-assessor.

(e) If:

- (1) the department determines that a county's reassessment officials are unable to complete the reassessment in a timely manner; or
- (2) the department determines that a county's reassessment officials are likely to complete the reassessment in an inaccurate manner;

the department may order a state conducted reassessment in the county. The department may consider a reassessment in a county untimely if the county does not submit the county's equalization study to the department in the manner prescribed under 50 IAC 14 before October 20, 2003. The department may consider the reassessment work of a county's reassessment officials inaccurate if the department determines from a sample of the assessments completed in the county that there is a variance exceeding ten percent (10%) between the total assessed

valuation of the real property within the sample and the total assessed valuation that would result if the real property within the sample were valued in the manner provided by law.

(f) If the department orders a state conducted reassessment in a county, the department shall assume the duties of the county's reassessment officials. Notwithstanding sections 15 and 17 of this chapter, a reassessment official in a county subject to an order issued under this section may not assess property or have property assessed for the general reassessment. Until the state conducted reassessment is completed under this section, the reassessment duties of a reassessment official in the county are limited to providing the department or a contractor of the department the support and information requested by the department or the contractor.

(g) Before assuming the duties of a county's reassessment officials, the department shall transmit a copy of the department's order requiring a state conducted reassessment to the county's reassessment officials, the county fiscal body, the county auditor, and the county treasurer. Notice of the department's actions must be published one (1) time in a newspaper of general circulation *published* in the county. The department is not required to conduct a public hearing before taking action under this section.

related to the reassessment of real property in the county. The information described in this subsection must be provided at no cost to the department or the contractor of the department. A failure to provide information requested under this subsection constitutes a failure to perform a duty related to a general reassessment and is subject to IC 6-1.1-37-2.

(i) The department may enter into a contract with a professional appraising firm to conduct a reassessment under this section. If a county or a township located in the county entered into a contract with a professional appraising firm to conduct the county's reassessment before the department orders a state conducted reassessment in the county under this section, the contract:

- (1) is as valid as if it had been entered into by the department; and

(2) shall be treated as the contract of the department.

(j) After receiving the report of assessed values from the appraisal firm acting under a contract described in subsection (i), the department shall give notice to the taxpayer and the county assessor, by mail, of the amount of the reassessment. The notice of reassessment:

- (1) is subject to appeal by the taxpayer under section 37 of this chapter; and
- (2) must include a statement of the taxpayer's rights under section 37 of this chapter.

(k) The department shall forward a bill for services provided under a contract described in subsection (i) to the auditor of the county in which the state conducted reassessment occurs. The county shall pay the bill under the procedures prescribed by subsection (l).

(l) A county subject to an order issued under this section shall pay the cost of a contract described in subsection (i), without appropriation, from the county's property reassessment fund. A contractor may periodically submit bills for partial payment of work performed under the contract. Notwithstanding any other law, a contractor is entitled to payment under this subsection for work performed under a contract if the contractor:

- (1) submits to the department a fully itemized, certified bill in the form required by IC 5-11-10-1 for the costs of the work performed under the contract;
- (2) obtains from the department:
 - (A) approval of the form and amount of the bill; and
 - (B) a certification that the billed goods and services have been received and comply with the contract; and
- (3) files with the county auditor:
 - (A) a duplicate copy of the bill submitted to the department;
 - (B) proof of the department's approval of the form and amount of the bill; and
 - (C) the department's certification that the billed goods and services have been received and comply with the contract.

The department's approval and certification of a bill under subdivision (2) shall be treated as conclusively resolving the merits of a contractor's claim. Upon receipt of the documentation described in subdivision (3), the county auditor shall immediately certify that the bill is true and correct without further audit, publish the claim as required by IC 36-2-6-3, and submit the claim to the county executive. The county executive shall allow the claim, in full, as approved by the department, without further examination of the merits of the claim in a regular or special session that is held not less than three (3) days and not more than seven (7) days after the completion of the publication requirements under IC 36-2-6-3. Upon allowance of the claim by the county executive, the county auditor shall immediately issue a warrant or check

for the full amount of the claim approved by the department. Compliance with this subsection constitutes compliance with section 28.5 of this chapter, IC 5-11-6-1, IC 5-11-10, and IC 36-2-6. The determination and payment of a claim in compliance with this subsection is not subject to remonstrance and appeal. IC 36-2-6-4(f) and IC 36-2-6-9 do not apply to a claim submitted under this subsection. IC 5-11-10-1.6(d) applies to a fiscal officer who pays a claim in compliance with this subsection.

(m) Notwithstanding IC 4-13-2, a period of seven (7) days is permitted for each of the following to review and act under IC 4-13-2 on a contract of the department entered into under this section:

- (1) The commissioner of the Indiana department of administration.
- (2) The director of the budget agency.
- (3) The attorney general.

(n) If the money in a county's property reassessment fund is insufficient to pay for a reassessment conducted under this section, the department may increase the tax rate and tax levy of the county's property reassessment fund to pay the cost and expenses related to the reassessment.

(o) The department or the contractor of the department shall use the land values determined under section 13.6 of this chapter for a county subject to an order issued under this section to the extent that the department or the contractor finds that the land values reflect the true tax value of land, as determined under this article and the rules of the department. If the department or the contractor finds that the land values determined for the county under section 13.6 of this chapter do not reflect the true tax value of land, the department or the contractor shall determine land values for the county that reflect the true tax value of land, as determined under this article and the rules of the department. Land values determined under this subsection shall be used to the same extent as if the land values had been determined under section 13.6 of this chapter. The department or the contractor of the department shall notify the county's reassessment officials of the land values determined under this subsection.

(p) A contractor of the department may notify the department if:

- (1) a county auditor fails to:
 - (A) certify the contractor's bill;
 - (B) publish the contractor's claim;
 - (C) submit the contractor's claim to the county executive; or
 - (D) issue a warrant or check for payment of the contractor's bill;

as required by subsection (1) at the county auditor's first legal opportunity to do so;

- (2) a county executive fails to allow the contractor's claim as legally required by subsection (1) at the county executive's first

legal opportunity to do so; or

(3) a person or an entity authorized to act on behalf of the county takes or fails to take an action, including failure to request an appropriation, and that action or failure to act delays or halts progress under this section for payment of the contractor's bill.

(q) The department, upon receiving notice under subsection (p) from a contractor of the department, shall:

(1) verify the accuracy of the contractor's assertion in the notice that:

(A) a failure occurred as described in subsection (p)(1) or (p)(2); or

(B) a person or *an* entity acted or failed to act as described in subsection (p)(3); and

(2) provide to the treasurer of state the department's approval under subsection (1)(2)(A) of the contractor's bill with respect to which the contractor gave notice under subsection (p).

(r) Upon receipt of the department's approval of a contractor's bill under subsection (q), the treasurer of state shall pay the contractor the amount of the bill approved by the department from money in the possession of the state that would otherwise be available for distribution to the county, including distributions from the property tax replacement fund or distribution of admissions taxes or wagering taxes.

(s) The treasurer of state shall withhold from the money that would be distributed under IC 4-33-12-6, IC 4-33-13-5, IC 6-1.1-21-4(b) or any other law to a county described in a notice provided under subsection (p) the amount of a payment made by the treasurer of state to the contractor of the department under subsection (r). Money shall be withheld first from the money payable to the county under IC 6-1.1-21-4(b) and then from all other sources payable to the county.

(t) Compliance with subsections (p) through (s) constitutes compliance with IC 5-11-10.

(4) that have been granted an exemption under IC 6-1.1-10 from property taxes first due and payable in 2004.

(c) The land and improvements described in subsection (b) are exempt under IC 6-1.1-10-16 from property taxes first due and payable in 2003, notwithstanding that the taxpayer failed to make a timely application for the exemption on or before May 15, 2002.

If the claim is allowed, the county auditor shall, without an appropriation being required, issue a warrant to the claimant payable from the county general fund for the amount due the claimant under this SECTION.
